Re: City of College Station - Northeast Sewer Trunkline
Project No. SS-9805
Redesign Proposal - Remove/Replace Option

Ms. Houge:

This letter constitutes our cost proposal to perform engineering services in connection with the redesign efforts to the above referenced project.

As requested, the scope of work includes the redesign from a dual pipe design, as originally proposed, to a remove and replace option. The design elements and related fee are presented below:

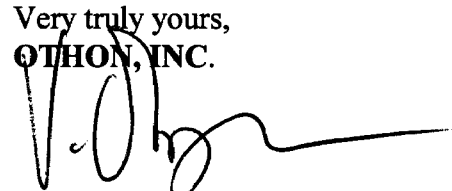

Design and drawing modification related to the remove/replace design option-
Design Fee: \$32,850

Revised preliminary construction cost estimate: \$2,500,000

Please find attached, a work breakdown with the level of effort and engineering fees. We can have a review set of plan and profile drawings for your comments and approval within 8 week of receiving a notice-to-proceed.

If you have any questions, or need additional information please do not hesitate to call me at (713) 975-8555.

Very truly yours,
OTHON, INC.
